## Online Grievance Redressal Mechanism

### Poddar Management and Technical Campus (PMTC)

#### 1. Introduction

Poddar Management and Technical Campus (PMTC) is committed to maintaining transparency, fairness, and accountability in all institutional processes. To ensure that the concerns of students, faculty members, staff, parents, and other stakeholders are addressed promptly and effectively, the institution has established an **Online Grievance Redressal Mechanism (OGRM)**.

The mechanism provides a structured, technology-enabled system through which stakeholders can submit grievances and receive timely resolutions while maintaining confidentiality and procedural fairness.

This system is aligned with national regulatory guidelines and international best practices in higher education governance.

#### 2. Objectives of the Mechanism

The Online Grievance Redressal System aims to:

1. Provide a transparent, accessible, and efficient platform for submitting grievances.
2. Ensure fair and impartial resolution of complaints.
3. Promote institutional accountability and good governance.
4. Protect the rights and dignity of students, faculty, and staff.
5. Encourage a culture of dialogue, feedback, and continuous improvement.
6. Ensure grievances are addressed within defined timelines.

**3. Scope of the Grievance System:** The mechanism covers grievances related to:

#### Academic Issues

- Evaluation and examination concerns
- Academic misconduct
- Teaching quality
- Course delivery and curriculum
